For a period of 90 days from such Acceptance ("Work Product Warranty Period"), HWML warrants that such Work Product will materially conform to such applicable acceptance criteria, if any. During the Work Product Warranty Period, HWML's sole responsibility and Broker's sole remedy with respect to non-conforming Work Product is for HWML to, at its option, either use commercially reasonable efforts to correct the deficiency or terminate the affected Professional Services and refund to Broker any amounts paid for such Work Product, but termination may only be selected if the deficiency cannot be corrected by HWML, using commercially reasonable efforts, within 30 days of Broker's written notice of the deficiency. The warranty set forth in in this Section 6.3.2 does not apply upon any of the following: (a) any change, addition, deletion or other modification was made to the Work Product, except as specifically authorized in writing by HWML; and (b) failure by Broker to report a deficiency within the specified Work Product Warranty Period.

3.3 Fees and Charges.

3.3.1 Fees and Charges; Payment Terms. Broker shall pay fees and charges stated in the applicable Order(s), in United States Dollars, plus all applicable Taxes, within 15 days after the date of HWML's invoice. These fees and charges shall be due and payable by Broker to HWML regardless of whether Broker uses any Services. In case of Termination for Breach or Insolvency as per Section 3.4.3, only the unused portion of pre-paid fees is refundable.

3.3.2 Fee Increases. There will be no increase in the fees and charges for the Software Service(s) specified in a particular Order for at least one year following the Effective Date. Thereafter, HWML may increase the fees and charges in such Order by providing advance written notice to Broker, but HWML shall not increase its fees and charges for the

Software Service subscribed to thereunder more than once during any 12 month period.

3.3.3 Late Payment. HWML may assess a late charge at a rate of (i) 1% per month; or (ii) the maximum amount allowed under the law, whichever shall be greater, on all amounts due and not paid within 30 days of the date of HWML's invoice until the time of HWML's receipt of payment.

3.3.4 Taxes. HWML's rates, fees and other charges set forth in this Agreement do not include any and all present or future taxes, levies, customs, duties, deductions, charges or withholdings, and all liabilities (including penalties, additions to tax, interest and expenses) with respect thereto, including but not limited to value added tax, sales tax, consumption tax and similar taxes or duties, as well as any similar city, municipal, provincial or state taxes whether currently imposed or to be imposed in the future, but excluding always taxes or duties determined on HWML's gross or net income, personnel or property (collectively, hereinafter referred to as "Taxes"), for which Broker will be responsible. For any Taxes that HWML is required to withhold or remit to the applicable taxing authority, HWML shall include each such Tax as a separate line item on its applicable invoice, shall timely remit such Taxes to the applicable taxing authority and shall indemnify Broker from any failure thereof by HWML. If any Taxes are found to be applicable or if Broker or any person paying to HWML on behalf of Broker (including banks) shall be required by Law to deduct any Taxes from or in respect of any sum payable to HWML hereunder, then: (a) the sum payable to HWML shall (at the same time and on the same conditions as applied to the sum payable) be increased as may be necessary such that following all required deductions, HWML receives the amount equal to the sum it would have received had no such deductions been made; and (b) Broker shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with the applicable Law. Upon the request of HWML, Broker shall promptly take all reasonable and proper actions, including, without limitation, the completion of forms, certificates and documents and the provision of information to the relevant taxing authority, of the kind required under the applicable Law.

4. NONDISCLOSURE OF CONFIDENTIAL INFORMATION. HWML and Broker each agree not to use any Confidential Information disclosed to it by the other party for its own use or for any purpose other than to carry out the purposes of this Agreement. Neither party will disclose or permit disclosure of any Confidential Information of the other party to third parties or to employees of the party receiving Confidential Information, other than directors, officers, employees, consultants and agents who are required to have the information in order to carry out the purposes of this Agreement. Each party has had, or will have, entered into arrangements with its employees, consultants and agents who have access to Confidential Information of the other party with substantially similar restrictions on disclosure to this provision. Each party agrees that it will take all reasonable measures to protect the secrecy of and avoid disclosure or use of Confidential Information of the other party in order to prevent it from falling into the public domain or the possession of persons other than those persons authorized under this provision to have any such information. Such measures will include, but not be

limited to, the highest degree of care that the receiving party utilizes to protect its own Confidential Information of a similar nature, which will be no less than reasonable care. Each party agrees to notify the other in writing of any actual or suspected misuse, misappropriation or unauthorized disclosure of Confidential Information of the disclosing party which may come to the receiving party's attention. Notwithstanding the above, neither party will have liability to the other with regard to any Confidential Information of the other which the receiving party can prove: (i) was in the public domain at the time it was disclosed or has entered the public domain through no fault of the receiving party; (ii) was known to the receiving party, without restriction, at the time of disclosure, as demonstrated by files in existence at the time of disclosure; or (iii) is disclosed with the prior written approval of the disclosing party. Confidential Information may be disclosed pursuant to the order or requirement of a court, administrative agency, or other governmental body; provided, however, that the receiving party will provide prompt notice of such court order or requirement to the disclosing party to enable the disclosing party to seek a protective order or otherwise prevent or restrict such disclosure. Confidential Information so disclosed will continue to be treated as Confidential Information as between the parties hereto. Notwithstanding the foregoing, either party may provide information about the terms and status hereof on a confidential basis to its subcontractors, lenders, private investors, legal counsel, accountants, auditors and other professional advisors, and either party may file a copy of this Agreement with the Securities and Exchange Commission or other applicable regulatory body on advice of counsel; provided, however, that the filing party will use reasonable efforts to seek confidential treatment of the economic terms of this Agreement and will notify the other (non-filing) party in writing in advance of such filing. Each party acknowledges that the restrictions and obligations in this Section 6.6 are reasonable and necessary to protect the other party's interests and in the event of a violation of these restrictions or obligations, remedies at law may be inadequate and a violation may cause irreparable damages. Accordingly, notwithstanding anything to the contrary herein, each party shall be entitled to immediately seek injunctive relief, without posting bond or other security, against the other party or the other party's employees or agents for any violation thereof.

5. SECURITY; PERSONAL INFORMATION; DISASTER RECOVERY.

5.1 Security. HWML shall be responsible for implementing and complying with commercially reasonable measures (including technical and organizational security measures) designed to maintain the security and non-disclosure of all Broker Data in the course of providing the Software Services and Support under this Agreement. HWML shall comply with all Laws (including Applicable Privacy Laws) applicable to its Processing of Broker Data and otherwise performing the Services. HWML shall use reasonable endeavors to set up, maintain and operate in good repair all systems used to perform the Services. In addition, HWML shall ensure, using commercially reasonable endeavors, that all systems used to provide the Services are configured in accordance with the "principle of least privilege".

5.2 Personal Information. HWML acknowledges that Broker Data may include Personal Information of Authorized

Users ("Broker Personal Information"). With respect to such Broker Personal Information, HWML shall: (a) use Broker Personal Information only for the purposes necessary to fulfill this Agreement; and (b) maintain Broker Personal Information only for so long as may be required to fulfill the purposes for which Broker Personal Information was collected, or as may be permitted herein.

5.3 Government Demand. Notwithstanding anything to the contrary in this Agreement, HWML may disclose Broker Data as required by applicable law, rule or regulation, including Applicable Privacy Law, or by proper legal or Authority. HWML shall, to the extent legally permitted, give Broker prompt notice of any such legal or governmental demand and reasonably cooperate with Broker in any effort to seek a protective order or otherwise to contest such required disclosure, at Broker's expense.

5.4 Hosting. Broker agrees that HWML may transfer Broker Data to, and Process Broker Data via, providers of hosting and backup services for the purposes of HWML providing and making available the Services (each, a "Hosting Provider"). HWML shall provide to Broker a list of such Hosting Provider(s) involved in the Services who have been transferred Broker Data for backup storage, hosting storage and Processing services, and a copy of any information HWML receives describing the information security of such Hosting Providers. Broker shall be provided notice of any changes by HWML from one Hosting Provider to another.

6. ADDITIONAL TERMS AND CONDITIONS.

6.1 Broker Data; Feedback. As between the parties, Broker owns all right, title and interest in and to Broker Data. Broker hereby grants to HWML and its Affiliates a non-exclusive, worldwide, royalty-free, fully paid-up license to use and Process (including, without limitation, to host, store, copy, record, transmit, maintain, and display), including via Broker's Third Party Providers, Broker Data and any Broker Third Party Services and Data for the purposes of (i) making available and providing the Services hereunder; and (ii) research, statistical, data analysis, marketing, sales tracking or similar purposes. Broker is solely responsible for the following with respect to any Broker Data and Broker Third Party Services and Data: (a) compliance with the Acceptable Use Policy; (b) all storage, backup and retrieval thereof not used by HWML to provide or make available the Services; (c) any transmission errors, corruption, or compromise thereof transmitted via Distributors or other Third Party Providers, or otherwise transmitted via the Internet; and (d) the condition, completeness, timeliness, backup, legality, reliability, integrity, accuracy and quality thereof. Broker agrees that HWML does not review, edit, substantiate, determine or otherwise have any responsibility for the accuracy, quality, integrity, legality, reliability, or appropriateness of any Broker Data or Broker Third Party Services and Data. For certainty, HWML is not responsible for and has no liability for Broker not storing and backing-up all Broker Data. Broker may from time to time provide Feedback. Broker agrees that all Feedback is and shall be given entirely voluntarily. Feedback, even if designated as confidential by Broker shall not, absent a separate written agreement, create any confidentiality obligation for HWML. HWML shall be free to use,

disclose, reproduce, license or otherwise distribute, and exploit the Feedback provided to it as it sees fit, entirely without obligation or restriction of any kind on account of Intellectual Property Rights or otherwise.

6.2 HWML's Proprietary Rights; Third Party Beneficiaries; Equitable Relief. All right title and interest in and to the Services and HWML Materials, and any Work Product, including, without limitation, all Intellectual Property Rights and other proprietary rights therein, are and shall remain the sole and exclusive property of HWML, its Affiliates and their Third Party Providers, as the case may be. This Agreement does not grant any Intellectual Property Rights or license under any Intellectual Property Rights in or to the Services or HWML Materials. All rights in and to the Services and HWML Materials are expressly reserved by HWML and the respective Third Party Providers. Broker shall not violate the Intellectual Property Rights and other proprietary rights of HWML, its Affiliates, and their Third Party Providers in the Services and HWML Materials, including, but not limited to, any contractual, statutory, or common-law rights, during and after the term of this Agreement or of any Order. Upon any termination of this Agreement or suspension of Services, Broker shall immediately cease all use of Software, Software Services and HWML Materials. Broker shall comply with all reasonable requests made by HWML to protect the rights of HWML at their expense, its Affiliates, and their Third Party Providers in the Services and HWML Materials. As between the parties, all Broker Data and Broker Systems, and all Intellectual Property Rights therein, shall remain the sole and exclusive property of Broker, and, except in the course of fulfilling its obligations hereunder, HWML shall not use, disclose, or otherwise share such with any third-party including but not limited to any other financial service provider. The parties agree that any breach or threatened breach of Section 4 or this Section 6.2 shall cause a party, its Affiliates and/or their Third Party Providers irreparable injury that cannot be adequately compensated for by means of monetary damages. Any breach thereof may be enforced by the affected party, its Affiliates, or their Third Party Providers by means of equitable relief (including, but not limited to, injunctive relief) in addition to any other rights and remedies that may be available, without the need to post a bond or other security.

6.3 DISCLAIMERS. EXCEPT AS EXPRESSLY SPECIFIED IN THIS AGREEMENT, WITH RESPECT TO THE SERVICES, HWML MATERIALS, THIRD PARTY TOOLS AND DATA, BROKER THIRD PARTY SERVICES AND DATA, WORK PRODUCT, AND ANY DATA OR RESULTS OBTAINED OR OUTPUT BY USING ANY OF THEM: (A) BROKER'S OR AUTHORIZED USER'S, USE THEREOF ARE ALL AT THEIR SOLE RISK; (B) ARE PROVIDED "AS IS" AND "AS AVAILABLE"; (C) THE REMEDIES LISTED IN THE SERVICE LEVEL COMMITMENT ARE BROKER'S SOLE AND EXCLUSIVE REMEDY, AND HWML'S SOLE OBLIGATION, REGARDING ANY FAILURE OF OR OTHER ISSUE WITH THE SOFTWARE, SERVICES OR SUPPORT; AND (D) THERE ARE NO REPRESENTATIONS, WARRANTIES, CONDITIONS OR GUARANTEES, WHETHER WRITTEN OR ORAL, EXPRESS OR IMPLIED (WHETHER ARISING UNDER COMMON LAW, STATUTE, COURSE OF DEALING

OR TRADE, OR OTHERWISE) (I) REGARDING ANY OF THEM, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OR CONDITION OF FITNESS FOR A PARTICULAR PURPOSE, QUALITY, MERCHANTABILITY, QUALITY, NON-INFRINGEMENT, CURRENCY, COMPLETENESS, ACCURACY, ACCESSIBILITY, RELIABILITY, SECURITY, AVAILABILITY, OR UNINTERRUPTED USE; OR (II) THAT ANY OF THEM WILL MEET ANY REQUIREMENTS, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM OR OTHER SERVICES, OR BE SECURE (INCLUDING FROM HACKING OR OTHER UNAUTHORIZED INTRUSION, SUCH AS DENIAL OF SERVICE ATTACKS), ERROR FREE, OR FREE OF HARMFUL CODE.

6.4 LIABILITY.

6.4.1 LIMITATION. IN NO EVENT WILL THE MAXIMUM CUMULATIVE LIABILITY OF HWML OR ITS AFFILIATES, OR BROKER OR ITS AFFILIATES, FOR ANY AND ALL LIABILITIES AND CLAIMS ARISING IN CONNECTION WITH THIS AGREEMENT (REGARDLESS OF WHEN MADE) EXCEED THE TOTAL FEES PAID BY BROKER TO HWML UNDER THE APPLICABLE ORDER FOR THE SERVICE IN QUESTION IN THE 12 MONTH PERIOD PRECEDING THE DATE ON WHICH SUCH LIABILITY IS ALLEGED TO HAVE ARISEN.

6.4.2 EXCLUSIONS. IN NO EVENT WILL HWML OR ITS AFFILIATES, OR BROKER OR ITS AFFILIATES, BE LIABLE FOR ANY OF THE FOLLOWING DAMAGES OR LOSSES WHATSOEVER ARISING FROM OR IN CONNECTION WITH THIS AGREEMENT (A) INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, AGGRAVATED, EXEMPLARY OR PUNITIVE DAMAGES OR LOSSES; (B) LOSS OF BUSINESS OR GOODWILL, SALES, USE, PROFITS, OR REVENUE, OR LOSS OF OR CORRUPTION TO DATA OR CONTENT; OR (C) COSTS FOR THE PROCUREMENT OF SUBSTITUTE PRODUCTS OF SERVICES.

6.4.4 APPLICATION. THIS SECTION 6.4 APPLIES TO ALL CAUSES OF ACTION, WHETHER BASED IN CONTRACT, TORT OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, FOR FUNDAMENTAL BREACH, HOWEVER CAUSED AND REGARDLESS OF THE LEGAL THEORY OF LIABILITY, EVEN IF ANY EXCLUSIVE

REMEDY PROVIDED FOR HEREIN FAILS ITS ESSENTIAL PURPOSE, AND EVEN IF A PARTY IS ADVISED IN ADVANCE OF THE DAMAGES OR LOSSES IN QUESTION OR EVEN IF SUCH DAMAGES OR LOSSES WERE FORESEEABLE. THE PARTIES HAVE FREELY AND OPENLY NEGOTIATED THIS AGREEMENT, INCLUDING THE PRICING, IN THE KNOWLEDGE THAT THE LIABILITY OF THE PARTIES IS TO BE LIMITED IN ACCORDANCE WITH THE PROVISIONS OF THIS AGREEMENT.

6.5 INDEMNIFICATION BY HWML. HWML will defend, indemnify, and hold harmless Broker, its officers, directors, employees, contractors, Affiliates, Authorized Users and agents (the “Broker Indemnitees”) from and against any and all liabilities, losses, damages, claims, and expenses, including legal fees (collectively, “Losses”) to the extent arising from any allegation that the Services, the Software or their use in accordance with the terms hereof Agreement infringe a third party’s Intellectual Proprietary Rights.

6.5.1 Exceptions. Notwithstanding Section 6.5, HWML has no obligation hereunder and will be indemnified by Broker to the extent any infringement claim or litigation, or any liabilities, losses, damages, costs or expenses, including reasonable lawyers’ fees (“Losses”), arises as a result of: (a) use of any of the Services, Work Product or HWML Materials in violation of this Agreement; (b) any modification to any of the Services, Work Product or HWML Materials by a party other than HWML or its authorized agents; (c) any combination of any of the Services, Work Product or HWML Materials with any computer program, software, hardware or equipment where such claim of infringement would not exist without such combination; or (d) use of any of the Services, Work Product or HWML Materials after HWML notifies Broker to discontinue such use.

6.5.2 Additional Infringement Remedies. In the event that any Services performed or Deliverable supplied by or through HWML in connection with this Agreement or any HWML Materials becomes, or in HWML’s reasonable opinion, is likely to become, the subject of a Claim of infringement, or if Broker is prevented from using the Services, the Work Product or the HWML Materials by reason of a Claim of infringement, HWML shall make commercially reasonable efforts, at HWML’s expense, to (i) modify the applicable component of the Services, Work Product or HWML Materials so that there is no longer any infringement, provided that the modification does not adversely affect the functionality or performance capabilities of the Work Product, Services or HWML Materials; (ii) procure for Broker Indemnitees the right to continue using the infringing component of the Work Product, Services or HWML Materials on terms not less favorable than those provided in this Agreement; or (iii) replace the infringing Services, Work Product or HWML Materials with functionally equivalent non-infringing Services, Work Product or HWML Materials that satisfy the warranties and covenants herein. In the event that the foregoing are not reasonably feasible within ninety (90) days after Broker is advised by HWML to cease using the allegedly infringing Deliverable, Service or HWML Materials, then either Party may terminate the Agreement and HWML shall refund all unused fees directly attributable to the infringing Services, Work Product or HWML

Materials previously paid by Broker, including any unused prepayments received by HWML for Services or Work Product not provided as a result termination under this Section or as a result of Broker being advised to cease using the Services or Work Product as set out herein, as liquidated settlement of any liability other than the foregoing obligation of indemnification.

6.5.3 Sole Remedy. This Section 6.5 constitutes Broker’s sole remedy, and HWML’s sole obligations, in respect of infringement claims, proceedings inclusive of litigation and arbitration, and demands.

6.6 INDEMNIFICATION BY BROKER. Broker shall indemnify, hold harmless and defend HWML, its Affiliates, and each of their respective officers, directors, employees, agents, heirs, successors in interest from and against any and all Losses from any third-party claim to the extent arising from: (a) Broker Data; (b) Broker’s or any Authorized User’s breach of this Agreement; (c) Broker’s or any Authorized User’s, breach of any applicable laws, rules or regulations; (d) Broker’s or any Authorized User’s, fraud or willful misconduct; (d) any property damage or personal injury caused by Broker or any Authorized User; or (e) Broker’s or any Authorized User’s financial, business or commercial judgments.

6.7 INDEMNIFICATION PROCEDURES. The indemnification obligations on the part of either party hereunder are conditional upon: (a) the indemnifying party being notified in writing promptly of the indemnified party’s receipt of notice of the claim (provided, however, that the failure to provide such notice shall not relieve the indemnifying party of its indemnification obligations under Section 6.5 or Section 6.6, except to the extent of any material prejudice to the indemnifying party as a direct result of such failure); (b) the indemnifying party having sole control over the defense or settlement of such claim; and (c) the indemnifying party being given the necessary authorization, information and full co-operation and assistance by the indemnified party for the defense of same (at the indemnifying party’s cost); provided in all cases, however, that the indemnifying party shall not make any admission against the indemnified party’s interests or enter into any settlement or compromise of any Claim in the event such settlement or compromise imposes any liability or obligation on the indemnified party without the indemnified party’s prior written consent.

7. MISCELLANEOUS.

7.1 Independent Contractors. Broker and HWML are independent contractors, and nothing in this Agreement will create any partnership, joint venture, agency, franchise, sales representative, or employment relationship between the parties. Neither party is an agent or representative of the other or is authorized to make any warranties or assume or create any other obligations on behalf of the other.

7.2 Force Majeure and Uncontrollable Events. Except for the payment of money for goods delivered or services rendered, neither party will be liable for any interruption, delay or failure to perform any obligation under this agreement when such interruption, delay or failure results from causes beyond such

party's reasonable control, including any law or act of any governmental authority, war, riot, terrorism, insurrection or other hostilities, embargo, fuel or energy shortage, equipment breakdowns, power failure, pandemic, epidemic, fire, mass casualty event, flood, earthquake, act of God, strikes, lockouts, labor shortages, failure of a third party to satisfy its contractual obligations, or any other similar cause.

7.3 Export Controls. Broker acknowledges and agrees that the Software Services, Support or HWML Materials may be subject to export controls under United States and other export control Laws. Broker shall not directly or indirectly, whether to an Affiliate or a third party: (a) export, re-export, transfer, or release (herein referred to as "export") any component of the Software Services, Support or HWML Materials, to any prohibited or restricted destination, person, or entity; or (b) access or use or allow any Authorized User, Affiliate or third party to use the Software Services, Support or HWML Materials in a manner prohibited or restricted by export control Laws. Broker shall comply with all applicable export controls Laws at all times.

7.4 Audit; Inspection. During the term of this Agreement, and upon at least 14 days' prior written notice to Broker, no more often than once per annum HWML shall have the right, during normal business hours, to audit the manner of use of the Services solely in accordance with the scope of audit agreed to by the parties in advance of such audit, each party's consent to such scope of audit not to be unreasonably withheld, and under Broker's reasonable supervision. HWML will ensure that the audit is conducted in a manner that will result in minimal disruption to Broker's business.

7.5 Governing Law; Venue. The laws of the State of California shall be applied to this Agreement, without reference to conflicts of law principles, and the parties submit to the exclusive jurisdiction of (a) the United States District Court for the Central District of California (to the extent it has subject matter jurisdiction); or (b) the Superior Court of California, County of Los Angeles; but the Parties agree that HWML may seek equitable relief in any venue it so chooses. This Agreement shall not be governed by the United Nations Convention of Contracts for the International Sale of Goods, as amended, replaced or re-enacted from time to time, the application of which is hereby expressly excluded.

7.6 Assignment. The parties shall not assign or transfer (including by operation of law) this Agreement, including any Order(s), without the prior written consent of the other and any attempted assignment or transfer shall be null and void and shall constitute a material breach of this Agreement. In addition to and notwithstanding the foregoing, if the ownership of Broker at any time shall pass out of the majority control of its then-current owners by sale of stock or assets, merger or otherwise, Broker shall give HWML not fewer than 30 days' prior written notice to the effective date of any change of control. HWML shall have the right to terminate any or all affected Order(s) by providing written notice to Broker within the later of 60 days following (a) receipt of such notice of change of control; or (b) the date such change of control occurs. If HWML elects not to exercise the foregoing termination right, any successor-in-interest to the Order(s) as a result of the change of control shall assume all rights and

obligations of Broker and shall be responsible for adhering to the terms thereof. Any attempted assignment in violation of this section will be null and void. This Agreement shall be binding upon, shall enure to the benefit of, and shall be enforceable by the parties and their permitted successors and assigns.

7.7 Entire Agreement; Amendments. This Agreement represents the entire agreement between the parties with respect to its subject matter and supersedes all previous agreements, representations, discussions, understandings or writings between the parties with respect to its subject matter. There are no oral or written collateral representations, agreements or understandings. This Agreement may not be modified except in a written document signed by the parties.

7.8 Conflicts. In the event of any conflict among the terms of this Agreement or any Order, the terms of the Order shall prevail only with respect to the Services and pricing specified in such Order, as well as any provisions in the Agreement that are specifically excluded or modified in such Order. Except as may be specifically provided for in a particular Order, any such exclusion or modifications contained in any Order shall not modify this Agreement with respect to any other Order.

7.9 Headings; Interpretation. The section and subsection headings used in this Agreement are for reference and convenience only, and shall not affect in any way the meaning or interpretation of the Agreement. Where the word "including" or "includes" is used herein, it means "including without limitation" or "includes without limitation", respectively.

7.10 Waiver; Severability. The failure of a party to insist upon strict compliance with any term or condition of this Agreement on any occasion shall not be construed as a waiver with regard to any subsequent failure to comply with such term or condition. No waiver of any term or condition of this Agreement, including any Order, shall be effective unless agreed to in writing by the party making the waiver. If any term or condition hereof is found by a court, administrative agency or jurisdiction to be unenforceable, the remaining terms and conditions hereof shall remain in full force and effect and shall be enforceable to the maximum extent permitted by law, and the parties shall substitute a valid, legal and enforceable provision as close in legal and economic consequence as possible to the provision being struck or considered unenforceable. If the limitation of liability set forth in this Agreement is limited by law, then HWML's liability will be limited to the greatest extent permitted by law.

7.11 Counterparts; Electronic Transmission. This Agreement may be signed in any number of counterparts with the same effect as if the parties had signed the same document. Delivery by electronic transmission is as effective as delivery of an original of this Agreement.

7.12 Survival. Notwithstanding the termination or expiry of this Agreement, all obligations which either expressly or by their nature are to continue after the termination or expiry of this Agreement shall survive and remain in effect, including, without limitation, Sections 3.1.5, 3.1.6, 3.2.1, 3.2.2, 4, 6 and 7.

7.13 Notices. All notices and other communications under this Agreement shall be in writing and shall be deemed to have been duly delivered if delivered by hand or sent by nationally recognized overnight carrier, or prepaid registered or certified mail, return receipt requested, with acknowledgment by the receiving party as of the date received, to the address listed in the first paragraph above, or to such other address as either party shall specify in a written notice to the other.

7.14 Commencement of Services. Commencement of the Service(s) prior to the signing of this Agreement or any applicable Order(s) by HWML does not constitute acceptance by HWML of any changes made by Broker to the terms and conditions of this Agreement or any Order(s) and no such changes are binding on HWML until HWML has agreed to them in writing.

[END OF SCHEDULE 2]
